Overview

Get power when and where you need with the V7 Universal Car Adapter. Leave it in your car or your carrying case for convenient access to power when you are literally on the road by plugging the universal laptop car adapter into the cigarette lighter plug.
The V7 car adapter offers the same specifications as the standard AC adapter that ship with the manufacturer's laptop computers. It comes with 8 universal notebook tips in support of most well-known models and brands, including Dell, Lenovo, HP, Toshiba, Sony, Acer, and more.
You can now operate your laptop and charge the battery simultaneously from your vehicle. Never worry about your laptop battery running out of power again on a dark, lonely road at night.
